Kleberg County will receive bids for liquid asphalt, rock asphalt, crushed caliche, crushed limestone, pit run caliche, concrete culvert pipe, metal culvert pipe, HP Storm Polypropylene pipe, fuel, oil and hauling for the 2026-2027 budget year until July 31, 2026 at 11:00 a.m. at the County Judge Office, 700 E. Kleberg Ave., P.O. Box 752, Kingsville, TX 78364-0752. The bids will be publicly opened and read aloud at Courthouse Annex, Law Enforcement Center, 1500 East King, Kingsville, TX 78363 on August 10, 2026 at 1:30 p.m.

Bid/Contract Documents are on file at the County Judge Office, 700 E. Kleberg Ave., P.O. Box 752, Kingsville, TX 78364-0752. Bid forms should be submitted in a sealed envelope indicating which item(s) are being bid on.

A bid bond in the amount of 5 percent of the bid issued by an acceptable surety is required with each bid for those contracts that exceed \$100,000. A certified check or bank draft payable to Kleberg County or negotiable U.S. Government Bonds (as par value) may be submitted in lieu of the Bid Bond.

Bids may be held by Kleberg County for a period not to exceed 30 days from the date of the bid opening for the purpose of reviewing the bids and investigating the bidders' qualifications prior to the contract award.

All contractors and/or subcontractors who are debarred, suspended or otherwise excluded from or ineligible for participation on federal assistance programs may not undertake any activity in part or in full under this project.

Questions or requests pertaining to proposals may be directed to Precinct One County Commissioner, David Rosse, 1910 Trant Road, Kingsville, Texas or (361) 595-8529.

Kleberg County reserves the right to reject any or all bids or to waive any informalities in the bidding.

We welcome your bid and your attendance at the bid opening.

Sincerely,

RUDY MADRID  
Kleberg County Judge

**BID FOR  
FUEL  
2026-2027**

Kleberg County will be purchasing unleaded, mid grade unleaded, super unleaded, low sulfur diesel, and high sulfur diesel.

This fuel is to be delivered to several different locations around Kleberg County into both overhead and underground storage tanks. These tanks range in size from 500 gallons to 5000 gallons. When making deliveries, it will be required to measure fuel levels in the tanks before delivery and after. The original invoice is to list date of purchase, the unit price of fuel, number of gallons delivered, a copy of the delivery invoice, which should have tank level measurements (hand written on ticket). Also to be included, with the billing invoice, is a copy of the rack price sheet (refinery prices from D.T.N.) from when transport was loaded showing cost of fuel.
